***It would be appreciated if all clubs if they could remind timekeepers to make sure they provide their name to the Chief Timekeeper for the official meet records.

Timekeeping is not hard and certainly not as scary as you first think.

Instructions are pretty simple.

Each lane will have these blue 'dolphins'. These connect to the starters' equipment and the computers.

You only need to press one of the buttons on the side to "STOP" the timer when the swimmer touches the wall.

The officials will reset the timers.

If there is no swimmer in your lane you don't need to do anything.

There will also be a traditional stop watch. This is a backup. One of the timekeepers per lane needs to "START" this (watching the starter) when the signal (light) goes. Then simply "STOP" the timer when the swimmer touches the wall (at the same time as the dolphin).

Write the stop watch time next to the swimmers name in your folder.

LANE SPONSORS:

We are grateful for the following local Bendigo businesses for their support to host today's swim meet and hope you also show your support
